Agent (if used)

Part 1 – Particulars of the application/development

Proposal: Listed building consent for the erection of three storey rear extension following demolition of existing extension to form additional floorspace

Location: 76 Portland Street, Manchester, M1 4GU

Date of application: 1 August 2016

Application number: 112558/LO/2016

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed development, by virtue of its design, siting and relationship to the existing features of the building would form an incongruous feature that would lead to the loss of the original fabric of the building detract from the architectural and historic character and appearance of the listed building. The proposal would therefore be contrary to saved policy DC19 of Unitary Development Plan for the City of Manchester, policies DM1,SP1, EN3 and CC9 of the Manchester Core Strategy and conflict with the guidance contained within the National Planning Policy Framework.

Date: 7 October 2016
