ramp up 190

Skylight above

Windows to Wood Street will be retained in their original aspect in order to respect the original look of the street.

Existing shopfront windows on Bridge Street will be replaced by new, carefully designed projecting timber framed windows.

Existing shutter door will be replaced with glazing

Original iron posts have been boxed in. All modern additions to be removed

Example of modern fabric to be removed

The light Well above will be replaced by new roof with single skyghlight as shown in the proposed drawings
