Part 1 – Particulars of the application/development

Proposal: Creation of staff car park involving the demolition of a section of wall and installation of gates

Location: 1 Parsonage Street, Hulme, Manchester, M15 5WD

Date of application: 7 December 2014

Application number: 105929/FO/2014/S1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

Officers have worked in a positive and proactive manner based on seeking solitions to the issues raised in the consideration of this application.

Reason(s) for decision

1) There is insufficient space within the proposed car park for vehicles to manoeuvre and this would require vehicles to either enter or leave the site in reverse gear at a point where there are no visibility splays. This arrangement would be detrimental to the safety of pedestrians and vehicles using Parsonage Street. The proposed development is therefore contrary to the provisions of Core Strategy Policies DM1 and T1.

Date: 30 January 2015
