Part 1 – Particulars of the application/development

Proposal: Change of use from House in Multiple Occupation (sui generis) to dentist (Class D1) and installation of access ramp to rear and associated car parking in rear garden with access from Roberts Avenue

Location: 448 Moss Lane East, Moss Side, Manchester, M14 4PW

Date of application: 6 November 2013

Application number: 104129/FO/2013/S1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application.

Reason(s) for decision

1) The proposed change of use of a mid terrace property would have a detrimental impact on the amenity of the occupiers of the adjoining properties by reason of the additional comings and goings and noise associated with a Class D1 Non Residential Instution use. The proposed development is therefore contrary to the provisions of Core Strategy Policies SP1, and DM1 and saved Unitary Development Plan policy DC 26.

2) The proposed car park is situated at the head of Roberts Avenue, a long cul de sac with no turning head. There is insuficient space within the propose car park for vehicles to turn around and leave the site in forward gear. The use of the rear garden as a car park could therfore result in vehicles reversing the length of Roberts Avenue to the

detriment of highway safety. The proposed development is therefore contrary to the provisions of Core Strategy Policies SP1 and DM1.

Date: 23 December 2013
