RE: PLANNING APPLICATION FOR BRASS SIGNAGE AT 1 ALBERT SQUARE, MANCHESTER

This application for Listed Building Consent seeks permission for an additional brass plate with the Hallam Land Management logo infilled in blue and green situated to the right of the lower ground floor entrance of 1 Albert Square Manchster.

The proposed brass plate would be affixed to the exterior of the building below the existing sign and will measure 152.4mm by 304.8mm. The proposed sign is of exactly the same specifications as the existing Henry Boot Developments sign.

Images have been provided to illustrate both the existing situation on site and the proposed addition to the exterior of the building. These images have been assembled on Photoshop; the works have not been carried out.

I trust the information provided will be sufficient to validate and determine this application, however if you require any further information or wish to discuss the application further please do not hesitate to contact me.

Yours faithfully,

Victoria Payne MTCP
