Part 1 – Particulars of the application/development

Proposal: Erection of two-storey side extension to form additional living accommodation

Location: 2 Stirling Avenue, Withington, Manchester, M20 1PH

Date of application: 27 November 2013

Application number: 104274/FH/2013/S1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application.

Reason(s) for decision

1) Due to the small nature of the site at the rear, the ground floor extension which would project 4 metres and the first floor extension which would project 2 metres beyond the rear building line of the property is considered to have a detrimental impact in terms of overbearing on the occupants of neighbouring properties Nos. 507 and 509 Princess Road and No. 4 Stirling Avenue and would result in an unduly overbearing visual appearance to the detriment of the general character of the property. The proposal is considered have a negative effect on visual amenity.
The proposal is therefore contrary to saved policy DC1.1, DC1.2 and DC1.3 as set out in the Unitary Development Plan for the City of Manchester. Policy H1, DM1 and SP1 of the Adopted Core Strategy of the Local Development Framework for the City of Manchester and the principles for sustainable development as set down in the National Planning Policy Framework.

Date: 17 January 2014
