Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application.

Reason(s) for decision

1) The alterations to the roof from a hipped to a gable would be out of character with other surrounding properties and would therefore be detrimental to the uniform appearance of the street scene and visual amenity, contrary to saved policy DC1.1 as set out in the Unitary Development plan for the City of Manchester, policy H1, DM1 and SP1 of the Adopted Core Strategy of the Local Development Framework for the City of Manchester and the principles for sustainable development as set down in the National Planning Policy Framework.

2) It is considered that increasing the height of the roof of the first floor rear extension would have an over bearing impact on the occupiers of No. 144 Manchester Road which is contrary to saved policies DC1.1, DC1.2 of the Unitary Development Plan for

the City of Manchester, policy H1, DM1 and SP1 of the Adopted Core Strategy of the Local Development Framework for the City of Manchester and the principles for sustainable development as set down in the National Planning Policy Framework.
