Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The design and proposal for such multi story residences are completely out of step with the local area. No other rises of such height are in Chorlton and whilst the height of Graeme house is being used as a proxy, this is not along the side of the road and is set back.

Furthermore, added congestion to the area given residents with minimal provision for parking is only going to exacerbate the existing parking issues
