Comment Details

Commenter Type: Group

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:I lead on Greenspace for the Executive of Trafford Forum of Parks and Green Spaces (part of National Forum) We have also commented to Trafford Council and I have visited the site.I also chair Neighbourhoods for Greater Manchester Older Peoples Network and Mayor's Equality Panels.I much appreciate the work GMCA is doing on greenspace but this seems totally opposed to the general emphasis on biodiversity and keep valued green spaces.
