

This architectural elevation drawing shows a house with a gabled roof and a chimney. The main house has two tall, narrow windows. A proposed extension, indicated by red dashed lines and the text "proposed extension", is shown below the main house. The extension has a flat roof and three windows: two small square windows and one larger rectangular window. The drawing uses black lines for the existing structure and red dashed lines for the proposed extension. A vertical line separates the main house from the extension.

proposed extension

Grey upvc framed d/g windows
 Grey aluminium framed bifold doors and lantern rooflights
 Black upvc rainwater goods
 Black aluminium coping trim to parapet
