Comment Reasons:

Comment: I am writing to express my support for the planning application to extend permission for the wedding marquee at [site name/address].

The venue has provided an excellent local facility for celebrations and events, bringing social and economic benefits to the community. It supports local employment, small businesses, and tourism in the area. The operators have managed the site responsibly and have demonstrated a commitment to minimizing any potential disturbance to neighbours through appropriate noise and traffic management.

I believe the continuation of this marquee will have a positive impact on the local area and encourage sustainable local enterprise.

I therefore fully support the application for the planning permission extension.
