Commenter Type: Member of the Public
Stance: Customer made comments in support of the Planning Application
Comment Reasons:
Comment:Very happy to see high density homes built in such a good transport an amenity hub.

Just keep the quality high in the construction and public realm, get Nicolas road blocked off and make sure there's just enough parking for the Drs etc and people will grow to like it I'm sure.

Cycling infrastructure will be key here, plenty of cycle parking inside and out please.
