Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: It's too tall and ugly. Whilst I understand the need for housing, there is too much development of the area over the last couple of years. Beech Road Park and the old baths site have recently sprung up. Now a massive ten story building?! The height should be reduced. Ideally a little green space for public use, along with parking for visitors to the shops should be considered. A reduction in height should be made
