Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

A Lawful Development Certificate should be granted because the proposed use—for up to three children aged 7–17 with care provided by rota-based carers—remains firmly within Use Class C2. The property already has lawful C2 use for two children, and increasing to three does not constitute a material change of use. The character, intensity, and residential nature of the use remain the same, with no external alterations or planning impact. Case law and national guidance confirm such homes fall within C2, even with staff on shifts. There are no legal or planning grounds to refuse this certificate.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
