

Dalton Fields, Wilbraham Road, Chorlton

Full Planning Ref: 135604/FO/2022

Discharge of Conditions Application – Condition 23 (Remediation Strategy Verification)

Background: -

Manchester City Council (MCC) granted full Planning permission in October 2023 (LPA Ref: 135604/FO/2022) for the 'erection of a 65 dwellings (Use Class C3(a)), with associated infrastructure, including landscaping, ecological mitigation, drainage and car parking, access from Wilbraham Road, and demolition of garage to the rear of 354 Wilbraham Road', subject to a number of conditions.

This application (Planning Portal Ref: PP-14178452) seeks to discharge condition 23 of the Full Planning approval as follows: -

Condition 23: -

"When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority. In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy".

To enable the discharge of this condition the following documents have been submitted:

- Verification Report (split into 4 parts due to file size)
