Bridges [REDACTED]

Dear Sue,

I was hoping to attend planning committee on the 31st July to speak on this item in our ward, but that isn't going to be possible now unfortunately.

Could the following be included as a late representation please?

"The Old Moat Ward councillors are fully supportive of the plans for the youth hub and community facility on the derelict depot site off Yew Tree Road in our ward.

We have worked closely with Old Moat Youth Outreach Project and the council on the plans for the site, and the programme of activities that will take place there.

Good quality youth work is vital for our community and local area, and this new facility will allow Old Moat Youth Outreach Project to expand and increase what they already do locally.

We know that they will want to be good neighbours with local residents, and have committed to communicate and continually engage with the local community when the youth hub is built and operational.

We believe this new facility and hub will be a key investment in our ward to further support and help young people."

Many Thanks,

Gavin

Gavin White
Executive Member for Housing and Development
and Labour Party Councillor for Old Moat Ward
Manchester City Council
