Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I absolutely object to this development. The towers are far too high and do not fit in with Chorlton at all. There are not enough shops. There is definitely not enough green spaces and I am very against cutting down any trees. Chorlton traffic is so busy anyway and very polluted. [REDACTED]

[REDACTED] which I blame on the pollution on Chorlton. Chorlton is special and needs to be kept that way.
