Dear David,

As the elected councillor for Cheadle West and Gatley, I have formally objected to the application to extend working hours at the Longley Lane Recycling Centre. My objection reflects longstanding and widespread concerns from local residents—concerns that have been recently reinforced by a surge in community feedback through petitions, social media, and direct contact with me.

The strength and scale of this concern are both significant and material to the decision, and I believe it is essential that residents' voices are heard.

I am therefore writing to formally request the opportunity to address the committee when the application comes before it, in line with the principles of local democracy.

I look forward to your response.

Kind regards

Ian

Cllr Ian Hunter

Liberal Democrat Councillor for Cheadle and Gatley

Chair of the Cheadle Area Committee

Member of Economy, Regeneration and Climate Change Scrutiny Committee
