Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Buildings are too tall! They should half the proposed height.

This is a village, not a high rise city centre.

Stop this madness. It's dark monotone artificial looking.

This is our Chorlton centre. Very few shops.

No proper public space.

So many consultations, so much feedback, so many months of empty shops and you come up with this?

Useless greedy developers. Shame on you labour council
