Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I have lived in [REDACTED] for many years. This development is NOT what was proposed at all.. it is quite monstrous and will negatively impact the lives of Chorlton residents. This area is already very congested - with terrible traffic issues. This will just make it all so much worse.

And visually it looks horrific .. so dense and so out of character with area.

Yes development is needed - but NOT this !!
