Details of the pre-application advice received

The planning officer was consulted. Steps forward agreed. The officer has advised to make the windows obscure glazing (Pilkington Level 5) and top-opening only to comply with permitted development rights. The newly built bricks must match the existing ones. The proposed gable roof form is considered acceptable.

Planning officer has also advised that the 2no. ground floor windows within the rear extension facing in the direction of the neighbours would not be supported. However these windows have been built and therefore recorded on our as-built drawings.

The revised scheme differs substantially from approved drawings (Ref: 139111/FH/2024), necessitating a new householder application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☒ No
