Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

We are set to install 1no new Customer Information Display at Manchester Oxford Road Station on Platform 4. This new display will be mounted to a new post and will be displaying information regarding the next expected trains and other train information. Additionally, an existing display on platform 2/3 will be relocated further down the platform and mounted to a new bespoke bracket. This is improving the station information without impacting the local area in a negative way. The significant historic appearance of the community will remain the same and any visitors to the area will still be impressed by the town while also appreciating the additional information provided at the station. Existing cable routes will be used where possible, with new cable routes feeding to the displays in the new locations. There will be a new sub-surface ducting route to the new display in line with the existing containment route located underneath the footbridge, there will be no significant impacts on the listed building as a result of this.

Details of the pre-application advice received

We contacted Jack regarding whether a Listed Building Consent application would be required based on our proposed works for the station. Jack advised that due to the new screen being a new addition to the listed station, a listed building consent application would be required.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
