Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to the height of these blocks of flats. They're too high for this neighbourhood. The fact that there won't be a civic centre with retail available for a massive increase in residents. There's not enough shops or schools. I'm shocked that the developers no longer guarantee social housing. I was led to believe that this would have been the case. We need more trees and green spaces not less.
