Re: planning application 142671/FO/2025

Dear sir/madam

I am writing to object to the above planning application for the change of use of the property at 136 St Werburgh's Road. My husband is a current user of the gym and we feel that the loss of the gym would be detrimental to the availability of such services and amenities for the local community. It is the only facility of its kind within walking distance and as such offers a vital facility for the benefit of the health and wellbeing of local residents.

Kind regards
