## Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object on the grounds of insufficient infrastructure for the number of homes being built /applied for in Chorlton.

The height of the blocks are significant and will completely change the character of the high street. The cafes that are popular on both sides will no longer have a sunny aspect. They will be overshadowed.

There are far fewer shops than was on that site before.
