Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The update is for the fence line located adjacent to the river being moved within the school grounds and changed to 868 mesh fence at the same height of 2.4m. The fence line located to the left side is also being proposed to be changed to 868 mesh fencing at a height of 2.4m again.

Please state why you wish to make this amendment

Due to the river flooding in December 2024 the option to move the fence line from the footpath to inside of the playing fields is best suited. The change from anti-climb mesh to 868 on 2no fence lines will allow water to safely disperse through and not collect debris.

Are you intending to substitute amended plans or drawings?

- [ ] No

If yes, please complete the following details

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

◯ Yes
⊘ No
