Part 1 – Particulars of the application/development

Proposal: Replacement of combustible cladding and completion of fire safety elements within external walls.

Location: 2 Malta Street, Manchester, M4 7BH

Date of application: 11 July 2025

Application number: 143213/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant/agent in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. However, the remaining issues have not been resolved and so the application has therefore been recommended to be refused.

Reason(s) for decision

1) The proposed cladding by virtue of its appearance would fail to respond positively to the existing character and appearance of the building and the immediate street scene. It would form a low quality intervention on the building and would not weather and change like the existing natural timber product. The result impact would be to cause an unduly harmful impact on the visual amenity of the building and on the immediate street scene. The proposal is contrary to policies JP-P 1 of the Places for Everyone Plan, policies EN1, CC9, SP1 and DM1 of the Manchester Core Strategy (2012) and the NPPF.

Date: 4 September 2025

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
