Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Massively object to this. Nothing at all like original plans and Chorlton does not want or need huge blocks of flats right next to the road like this. It's a money and land grab at the expense of the local community. The appeal of the neighbourhood is exactly the opposite of high rise flats - it's about light and green spaces with low rise buildings - this is not the city centre and should never be!
