

PLANNING PERMISSION: 142801/FO/2025

PLANNING CONDITION 5: CARRIAGEWAYS/FOOTWAYS CONDITION SURVEY

Within three months of the date of this permission, a full condition survey of the carriageways/footways on vehicle routes surrounding the site shall be undertaken and submitted to the City Council as Local Planning Authority. Within three months of the expiry of this permission or the cessation of the use hereby approved, whichever is the sooner, the same carriageways/footways shall be re-surveyed and the results submitted to the City Council as Local Planning Authority for assessment. Should any damage have occurred to the carriageways/footways, they shall be repaired and reinstated in accordance with a scheme that shall first be submitted to and approved in writing by the City Council as Local Planning Authority. The necessary costs for this repair and/or reinstatement shall be met by the applicant.

In accordance with Condition 5 of the above planning permission, I am writing to submit the following condition survey, undertaken within the required timeframe. The survey includes images of the current condition of all carriageways and footways along vehicle routes surrounding the site.
