Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to this development for multiple reasons. One is the height of the proposed buildings, it's out of character with all the other buildings in Chorlton. Another issue is the loss of the shops. Since Quality Save closed down there have been no budget supermarkets in Chorlton. Parking is also a concern, as the new development will be built over the precinct car park, which is needed by people using the nearby health centre.
