

Fire & Emergency Action Plan

Skate Manchester
Cathedral Gardens
2025/26

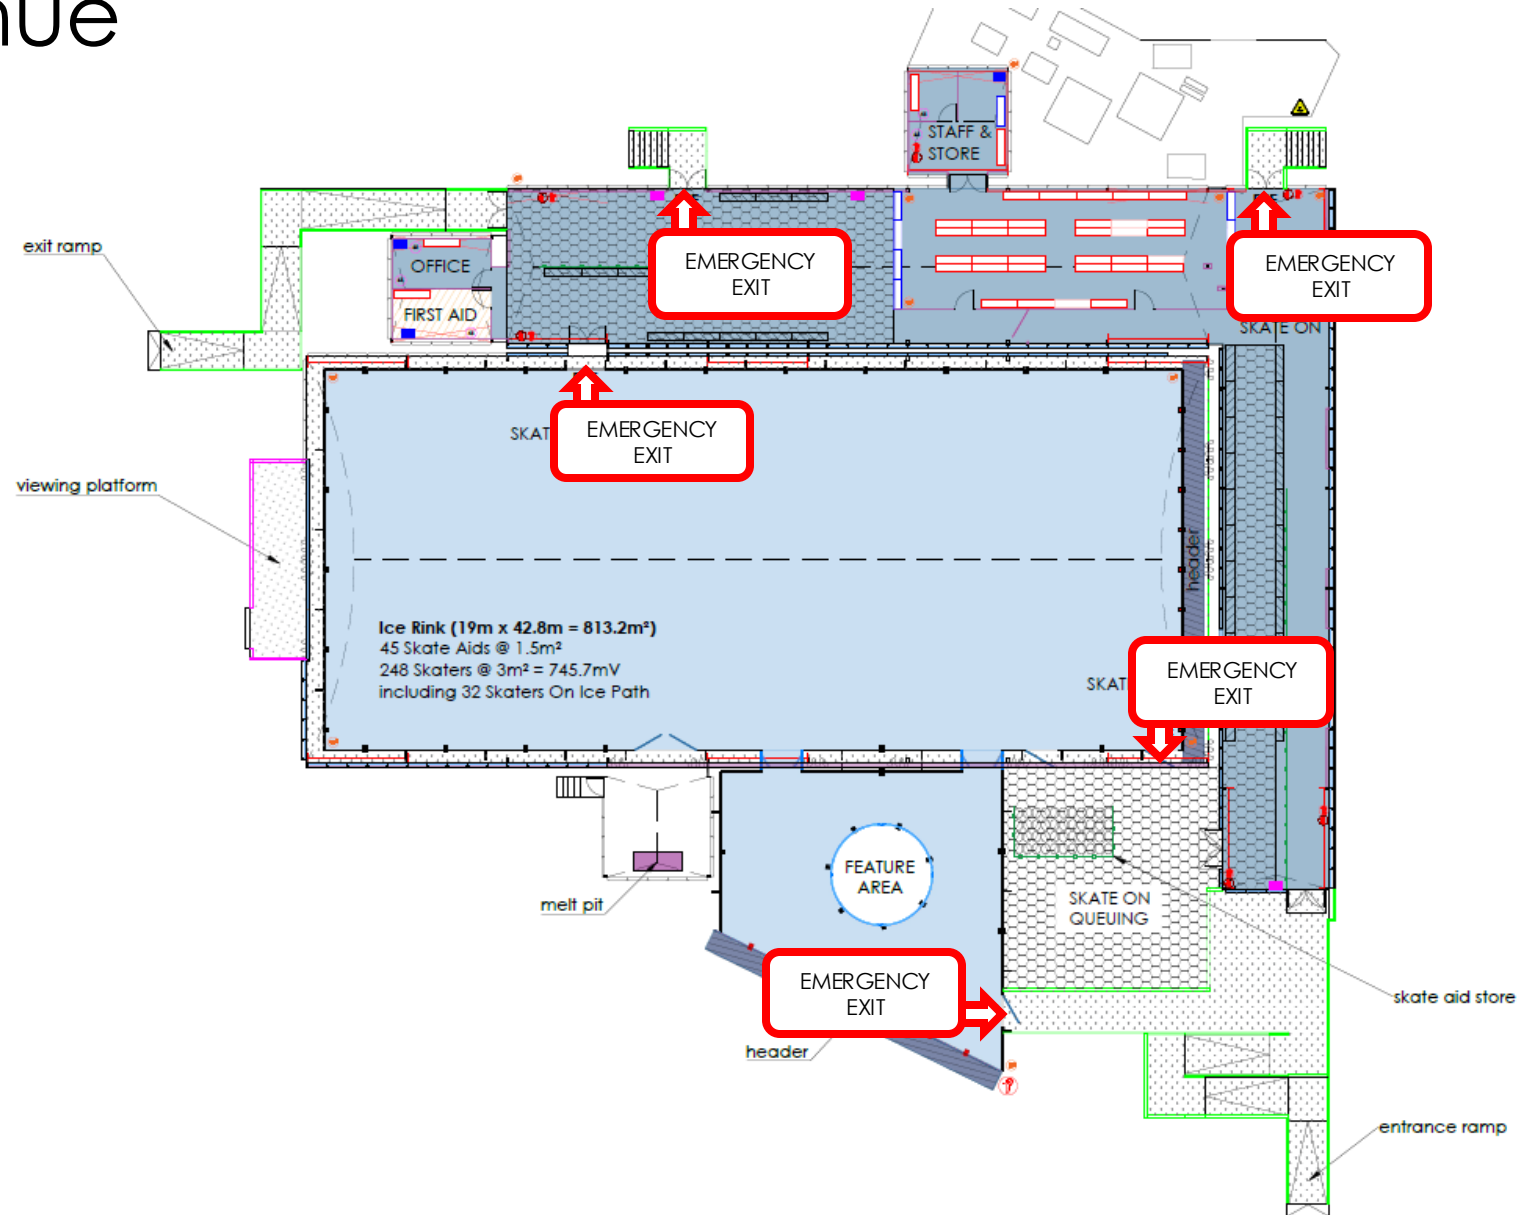

Emergency Action Plan

- ❖ Immediately after the Rink Manager has been notified, use PA system to alert all Staff and members of the public
- ❖ Direct them to the Fire Assembly Point via the nearest Emergency Exit. Staff members to go to all allocated points to ensure clear guidance to members of the public, as directed by Rink Manager
- ❖ Rink Manager to dial 999 and then Manchester City Council Market Team Supervisors
- ❖ All Rink Staff are to evacuate members of the public to MUSTER POINT 1 and MUSTER POINT 2, as shown on the map included within this document
- ❖ ONLY if safe to do so, selected fire trained Staff to tackle the fire with equipment provided
- ❖ Notify Manchester City Council of the incident and evacuation
- ❖ Do not re-enter the building until instructed to do so by the Rink Manager or Fire Brigade

Cathedral Gardens – Muster Points

EMERGENCY
EXIT

Ice Rink – Emergency Exits

Key

● Remove barrier / open door to exit

● Guide people to exit and out of the structure / off the ice.

ALWAYS ensuring vulnerable people have extra support
