The copyright in this drawing is vested in Sheppard Robson and no license or assignment of any kind has been, or is, granted to any third party whether by provision of copies or originals or otherwise unless agreed in writing.

DO NOT SCALE FROM THIS DRAWING
The contractor shall check and verify all dimensions on site and report any discrepancies in writing to Sheppard Robson before proceeding work

FOR ELECTRONIC DATA ISSUE
Electronic Data / drawings are issued as "read only" and should not be interrogated for measurement. All dimensions and levels should read, only from those values stated in text on the drawing.

NOTES

- Please note that there are areas with limited access. Some areas may differ from the survey information. Structural Slab not surveyed, dimensions to be checked on site prior to construction. Proposals subject to detailed site investigation and opening up works.
- All dimensions to be checked on site and any discrepancies to be highlighted prior to construction.
- Pall Mall Court is Grade II Listed. If in doubt about any element of the works, please consult the Architect before proceeding. Any proposed works that deviate from this drawing are to be reviewed by the Architect prior to carrying out these works.
- Special care to be taken when working adjacent to heritage features such as mosaic tiles or brick floors to stair cores, so as not to disturb or damage these features. Ensure adjacent elements are not damaged.

DOOR NOTES

- All doors in existing structural openings to be standardised.
- Drawings to be read in conjunction with 21 series, 22 series, acoustic information, fire drawings and specialist consultants reports and drawings.
- Refer to interiors concept document and internal wall finishes details.
- Specialist to advise of deflection head requirements.
- All doors included within the internal and external door schedules are new. Existing heritage doors to be retained on site for potential reuse.
- Contractor to conduct a survey of all existing heritage ironmongery on site. Existing heritage ironmongery to be delicatley removed from doors and retained for potential reuse.
- Refer to 70 series for signage and manifestation locations. Refer to signage design intent document for proposed signage.
- Refer to Merlin Architecttural ironmongery schedule.
