Description of the Proposal

Please provide a description of the approved development as shown on the decision letter

Through consultation, Proctors Youth Centre was chosen as a site that would benefit from the construction of a PlayZone facility. The PlayZone Programme has been developed to tackle inequalities in physical activity and access to high quality facilities in targeted areas, by The Football Foundation providing funding towards community led spaces. The purpose of the PlayZone Scheme is to invest in areas with the greatest need, with the aim of encouraging specific priority groups to be more active. The area where the PlayZone is proposed to be developed is on is an existing multi use games area (MUGA). It is proposed that the PlayZone would provide better quality recreation /sporting provision on the area.
