Part 1 – Particulars of the application/development

Proposal: Replacement roof to side extension and addition of side dormer and installation of rear dormer and roof lights

Location: 26A Derby Road, Manchester, M14 6UW

Date of application: 4 September 2025

Application number: 143899/FH/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed with regards to policies outlined in the National Planning Policy Framework, Unitary Development Plan Saved Policies, Local Development Framework Core Strategy Development Plan and other material considerations. The application has been considered to be contrary to the development plan.

Reason(s) for decision

1) The proposed side dormer, by reason of its scale, design, and positioning, fails to integrate with the host dwellinghouse. It appears as an incongruous and visually intrusive addition that does not blend with the existing roof form or overall design of the property. The resulting harm to the character of the building and the visual amenity of the street scene is considered unacceptable. As such, the proposal is contrary to saved Policy DC1 of the Unitary Development Plan for the City of Manchester, Policies SP1 and DM1 of the Manchester Core Strategy, and the design principles set out in the National Planning Policy Framework.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within 12 weeks of the date of the notice of this decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 12 weeks).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-householder-planning-decision. The Inspectorate will publish details of your appeal on the internet. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
