Stamped as received by the City Council as Local Planning Authority on 23/01/2025 unless specified otherwise.

Reason - To ensure the development is carried out in accordance with the approved plans, pursuant to Policies SP1 and DM1 of the Core Strategy.

3) Electrical installations

Notwithstanding the submitted drawings, prior to the installation of internal electrical services, full and final details of the proposed locations, cable tray/trunking design, cabling, and associated fixings, brackets, containment, and exact method of attachment to historic fabric shall be submitted for approval in writing by the City Council, as Local Planning Authority. For the avoidance of doubt this shall include proposed size, material and finishes.

The development shall thereafter be carried out in accordance with the approved details.

Reason - In the interests of preserving and protecting the historic character and appearance of the listed building in accordance with policies CC9 and EN3 of the Core Strategy (2012), saved policy DC19 of the Unitary Development Plan for the City of Manchester (1995) and the NPPF/NPPG.

4) Substation - noise

- a) Externally mounted ancillary plant, equipment, servicing or electrical substation shall be selected and/or acoustically treated in accordance with a scheme designed, so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to commencement of the use hereby approved the scheme shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from within the site. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.
- b) Prior to the operation of the scheme a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012) and saved UDP policy DC26.

5) Staircase details

Notwithstanding the submitted drawings, prior to the commencement of works, full and final details of the proposed internal and external staircases shall be submitted for approval in writing by the City Council, as Local Planning Authority. For the avoidance of doubt this shall include proposed materials, finishes and method of attachment to historic fabric.

The development shall thereafter be carried out in accordance with the approved details.

Reason - In the interests of preserving and protecting the historic character and appearance of the listed building in accordance with policies CC9 and EN3 of the Core Strategy (2012), saved policy DC19 of the Unitary Development Plan for the City of Manchester (1995) and the NPPF/NPPG.

5) Substation design details

Notwithstanding the submitted drawings, prior to the commencement of works, full and final details of the proposed substations shall be submitted for approval in writing by the City Council, as Local Planning Authority. For the avoidance of doubt this shall include proposed materials, finishes and method of attachment to historic fabric.

The development shall thereafter be carried out in accordance with the approved details.

Reason - In the interests of preserving and protecting the historic character and appearance of the listed building in accordance with policies CC9 and EN3 of the Core Strategy (2012), saved policy DC19 of the Unitary Development Plan for the City of Manchester (1995) and the NPPF/NPPG.
