Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

We are proposing to remove the rear window bay (within existing kitchen); add new double door and a window at the rear; replace an existing window within the side bay window at ground floor; add a new side window at ground floor; alter an existing window at first floor, lowering the cill height and installing a Juliette balcony; there is an existing garage/store, which is currently completely open, accessible only from the rear within the property - we are proposing to alter this opening, partially bricking it up and installing a new door.

Why do you consider that a Lawful Development Certificate should be granted for this proposal?
