Dear Lauren,

I have been chasing the agent for an email that confirms the planning application reference and the condition number. I just need written confirmation and I can try and get a decision out straight away. As you are representing the school I can take your instruction. You would need to say that you are lodging an application to discharge conditions 10 and 11 attached to planning permission 141577/FO/2024.

Thank you

Jennifer

Good morning Jennifer

I hope you are well. I am just checking that you have everything from us now with regards to the planning application please?

We have pencilled works in for w/c 18th August - hopefully that will give us enough time to get approval back.

Many thanks
Lauren
