Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Too many houses and too high, understand have used Graeme house as guide but that was one building. We need more green space in the centre of Chorlton's and more space for shops, there's only space for 10 shops or so, should be more. The area can't handle that number of new homes and residents, the car parking and traffic is already a nightmare
