Afternoon Sue,
I trust this email finds you well.

I'm contacting as the appointed DfS consultant and the statutory consultee for the above proposals.

The proposals have been reviewed and provided a Crime Impact Statement in support of the application, all be it with some additional security recommendations.
Design for Security welcome the proposed scheme.

Should you (your team) be minded to approve this application Design for Security make the recommendation that a planning condition is attached which requires the development to achieve Secured by Design accreditation.

If you require further information please do not hesitate to contact me.

Kind regards
