

Optional vinyl signage applied to glass - with transparent background
i.e. not solid colour

Optional letters mounted externally on a single bar fixed into mortar
joints to either side. Or vinyl signage applied to glass (individual letters
or logos), or individual letters suspended from the ceiling internally.
Alternatively a slim box could be mounted in place of individual letters.
Again, this needs to be side fixed into existing joints.

Brass name plate.

Wall mounted slim projecting sign

Optional hanging signage behind glass. Or small logo/lettering in vinyl.

Individual letters mounted to existing fascia

Optional vinyl signage applied to glass (individual letters or
logos), or individual letters suspended from the ceiling internally.
