What was the original application type?

Full planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

◯ **Householder development:** Development to an existing dwelling-house or development within its curtilage
⊘ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

We wish for condition 9 to be varied from a prior to above groundworks condition to a prior to occupation condition.

Please state why you wish to make this amendment

We have been advised by Des Jones (senior planner at MCC) to apply for a NMA as this is currently a prior to above ground works condition and therefore needs to be signed off as soon as possible to be able achieve a start on site in line with clients programme and to achieve funding. We therefore wish for this condition to be adjusted to be a prior to occupation condition to allow more time to work with the council to find an appropriate site for tree-replacement, whilst allowing a start on site in order to be on programme and achieve funding.

Are you intending to substitute amended plans or drawings?

◯ Yes
⊘ No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

⊘ Yes
◯ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

⊘ The agent
◯ The applicant
◯ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

◯ Yes
⊘ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
