Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The mass of buildings will not be in keeping with Corlton village atmosphere. If the images are the red bricked blocks, aesthetically brutal and harsh. Housing is of course important with emphasis on social housing. The architecture should be softer and more interesting. We look at buildings all the time in our every day. These just look depressing. Please consider spaces, attraction and need.
