MANCHESTER CITY COUNCIL

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: Proposed installation of replacement air handling plant and associated infrastructure including internal and external works.

Location: 48 King Street, Manchester, M2 4LG

Date of application: 28 July 2025

Application number: 143571/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant/agent in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the application.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents, received by Manchester City Council as the Local Planning Authority on 28/07/2025:

23069-S100
2533/M10 Revision: P1

Noise Impact Assessment Report
Specification of Components for Modular Acoustic Enclosures for Toshiba External Condensers
Toshiba Air Conditioning - RAV-GM Data Sheet
Correspondence dated April 17, 2025
Lithomex Stone Restoration and Repair Mortar

and the following dated 18/09/2025:

Heritage, Design & Access Statement Rev 1
2533/M09 Revision: P2
Correspondence

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to PfE Policies JP-P1, JP-P2 and JP-Strat2; Core Strategy policies SP1, CC2, CC9, EN1, EN3, and DM1; saved UDP policies DC18, DC19 and DC26; Sections 12 and 16 of the NPPF; and Sections 66 and 72 of the Listed Buildings and Conservation Areas Act 1990

3) Notwithstanding the details as set out in condition 2 above, prior to the commencement of the installation of the acoustic enclosure, the RAL colour shall be submitted for approval in writing by the City Council, as Local Planning Authority.

Reason - To ensure the appearance of the building to be extended is not adversely affected by the materials to be used in the construction of the structure. Pursuant to PfE Policies JP-P1, JP-P2 and JP-Strat2; Core Strategy policies SP1, CC9, EN1, EN3, and DM1; saved UDP policies DC18 and DC19; Sections 12 and 16 of the NPPF; and Sections 66 and 72 of the Listed Buildings and Conservation Areas Act 1990

4) a) The AC units hereby approved shall be selected and/or acoustically treated in accordance with the following documents received by Manchester City Council as the Local Planning Authority on 28/07/2025:

Noise Impact Assessment Report
Specification of Components for Modular Acoustic Enclosures for Toshiba External Condensers
Toshiba Air Conditioning - RAV-GM Data Sheet
Correspondence dated 18/09/2025

The scheme shall be implemented in full before the use of the AC units hereby approved commences.

b) Prior to the operation of AC units hereby approved, a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the works undertaken conform to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To safeguard residential amenity by minimising the impact of the development and to prevent a general increase in pre-existing background noise levels around the

site, pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester and Unitary Development Plan saved policy DC26.

Informatives

Building Regulations 2010
This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements
Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Mining Remediation Authority

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards.
