Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This development is not in keeping with the centre of Chorlton which should be used for the public not for private housing. It will be a massive eyesore in the centre of Chorlton with far too many flats in a very small space. It looks to me like it is a money making venture for the builders and of no benefit to the people of Chorlton.
