Comment Details

Commenter Type: Member of the Public
Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:I object to these plans. I feel that it is massively overdeveloping the centre of Chorlton with inappropriately tall buildings for the area, inadequate parking facilities for so many residents, not enough retail space as before and no longer a guarantee of social housing.

I am well aware and agree that new housing is required in Chorlton but this development has not met the expectations myself and many other residents had for this space
