Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The towers are too high and too numerous to sit well within local landscape. I'm concerned about how local infrastructure can support this number of new residents without construction of a new medical centre or school. I'm concerned at the lack of social housing. The area has lost a large shopping unit housing a quality save and I'm concerned that there is no room for any similar new shop in the proposals. Parking is already a problem in Chorlton and this will exacerbate it.
