Comment Reasons:
Comment:I am writing to object to the proposed change of use at 136 St. Werburgh's Road.

This building is a vital community hub, home to a local, family-owned gym and other small, independent businesses that offer important services to the local community. These businesses support the health and wellbeing of local residents and contribute to the local economy. Many will be forced to close or relocate if this proposal is approved.

In addition, 136 St. Werburgh's Road is a Grade II listed building with significant heritage value. Converting it to flats would strip it of its role as a living, active part of the community.

I urge you to reject this application to protect a space that benefits our local community."
