Pursuant to the Sub-Contractor Agreement between the University of Salford (UoS) and Civic Heritage (CH) made on 23 October 2024, and further to your fee proposal for the completion of the Programme of Works (reports and other documentary artifacts) known as Batch 3, and subsequent meetings between Mr. Oliver Cook (Civic Heritage) and Mr. Clifford O'Leary (Project Manager at UoS) having agreed the approach to instructing the Batch 3 Works. It has been agreed that each element of the works listed in Appendix 1 of this instruction will proceed on a case-by-case basis, requiring additional and specific written instruction from the University of Salford to Civic Heritage (via email) before that element of work can begin. The University of Salford wishes to accept your proposal and costs* to undertake the listed works as a variation to Schedules 1, 2, and 3 of the Sub-Contractor Agreement made on 23 October 2024.

***Note 1: The decision to proceed with any work elements in Table 1 remains at the sole discretion of the University and an instruction to undertake any or all elements of the work is not guaranteed under this or any other arrangement. Any work undertaken without the prior written agreement of the University will not be liable for payment by the University.**

Note 2: All communication, instructions and all other information regarding the operation and work of the Former Salford Archaeology and/or the University of Salford, and Civic Engineers and/or Civic Heritage remains subject to the Two-Way Confidentiality Agreement entered into between The University of Salford and Civic Engineers Limited on 12 August 2024.
