Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This is ridiculous, it is so far removed from the original consultation. No affordable housing, more trees felled, no green space, reduced independent shops (which they raved about @ the open forum). Ltd parking, Chorlton has parking issues already & This is a whole new submission that needs to start with a public debate again. I strongly object to this application...
