Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Loss of Civic Centre: The removal of this vital community facility would be a major loss to the area, reducing access to important shopping, social and cultural spaces.

Out of Scale and Character: The proposed height and density are not in keeping with the surrounding area and would harm its established character.

Inadequate Services: The development does not provide sufficient infrastructure-such as schools, healthcare, and transport-to support the increase in residents.
